Dear Sir:

In response to the Office Action dated November 30, 2007,
Applicant respectfully responds as follows:

Election of species appears on page 2 of this paper.

Remarks begin on page 3 of this paper.

Election of Species

The Patent Examiner has required a restriction to one of the following two inventions:

Group 1: Claims 1-7, drawn to a satellite tracking antenna system mounted to a moving object to track a satellite position; and

Group 2: Claims 8-10, drawn to a satellite tracking method for use in a satellite tracking system mounted to a moving object to track a satellite position.

ELECTION:

Applicant respectfully elects herewith the embodiment of Group 1 as claimed in claims 1-7 for further prosecution.
